

All Ability and All Inclusive Cycling Networking Conference

Friday 27th April 2012

Newquay Sports Centre

All across the UK, there are many people who deal with debilitating problems of various sorts ranging from mental health issues and learning difficulties to physical disabilities. But they should never be excluded, rather encouraged to participate and that is what we are aiming for here .. Cycling not only improves one's health but also gives participants that all important sense of inclusion.

Yeoman Way, Tretherras Road, Newquay, TR7 2SL
